

CIRCLE UP! STAYING STUDENT CENTERED IN A CROWDED CLASSROOM

Brooke Maudlin

Akins High School

Austin ISD

WHY CIRCLE TIME?

- Build Community
- Students as curriculum
- Kinesthetic
- Engaging everyone
- Student-centered
- Repetition
- Fun
- Tech-free space

STUDENT TESTIMONIALS

The circle helps us learn as a group, putting actions and gestures to each word.

When the whole class is participating I feel it takes away the fear of practicing and expressing my Spanish.

We stay more focused in the circle then we would be just sitting at our desks.

EN LA TARJETA

Escribe 2 cosas que necesitas para tus clases y 2 cosas que no necesitas.

Necesito	No necesito
1.	1.
2.	2.

LEVÁNTENSE
Y
FORMEN UN CÍRCULO!!!!

- 
- Manos arriba, enfrente
 - Greetings
 - Soy maestra / eres alumno
 - Soy maestra y yo necesito
 - ¿Qué necesitas tú?
 - ¿Qué necesitas tú para la clase de...
 - Yo necesito...
 - Yo no necesito...
-
- Con las tarjetas – parejas / 2 circles
 - Brain break

TIPS

- **Vocabulary** – have a plan but use what students bring
- **Grammar** – students discover the way grammar changes rather than teaching the rules first
- **Transitions** – break down the filter, build & recycle vocab, movement around circle to interact with someone new
- **Prompts/questions** – use the ACTFL Can-Do Statements
- **Accountability** – share outs, proof of learning

CONCLUSION

Boleto de salida:

- ¿Qué necesitas para la clase de matemáticas?
- Yo necesito _____ para la clase

- Take Aways
- Ideas
- Questions
