# TExES Preparation Workshops

For Elementary and Bilingual Teachers

Becoming an elementary teacher or bilingual teacher in Texas is challenging, but it doesn’t need to be.

The following workshops will prepare you for each test. Register for all three or just one workshop.

In this workshop you will:

- become very familiar with the framework of the test.
- practice listening, reading, writing, and speaking.
- take a practice test similar to the TExES BTLPT.
- Meet one-on-one with the test scorer to receive feedback.
- a review Spanish grammar, accent marks, and educational vocabulary.

**NOTE:** Please bring a smart phone, tablet, or laptop to record the speaking practice.

In these two workshops will:

- Review what is tested and how to prepare for the exam.
- Administer a practice test for each core subject area, and then debrief the results to create a plan for successfully passing the test.
