

Gifted and Talented Selection of Service Middle School

District Name: _____
 Campus: _____

As a student moves from our elementary gifted program to middle school students are interviewed to determine content areas for appropriate program placement. Each student will have the opportunity to select gifted services in math, science, language arts and social studies depending on academic strength and student interest. Once a selection is made the student should continue within those content areas to ensure a continuum of services and growth.

Student Name: _____

Requested Service:
 Content Area

(Complete with titles of class options for 7th – 8th grade)

	Parent Signature	Date	Teacher Recommendation	Date
<input type="checkbox"/> Math <input type="checkbox"/> _____ <input type="checkbox"/> _____				
<input type="checkbox"/> Science <input type="checkbox"/> _____ <input type="checkbox"/> _____				
<input type="checkbox"/> Social Studies <input type="checkbox"/> _____ <input type="checkbox"/> _____				
<input type="checkbox"/> Language Arts <input type="checkbox"/> _____ <input type="checkbox"/> _____				

*In order to be successful in advanced science the student may need to also take advanced math.

Other Options:

	Parent Signature	Date	Teacher Recommendation	Date
<input type="checkbox"/> Interdisciplinary Studies <input type="radio"/> Area of Credit _____				
<input type="checkbox"/> Acceleration <input type="radio"/> _____ <input type="radio"/> _____ <input type="radio"/> _____				

I understand that I am being given the opportunity to select the area of service for the gifted and talented program. I have selected the content area(s) that I am interested in gaining depth and complexity. I understand that the goal of gifted programs in the state of Texas is the creation of advanced products and performances, these will be expected in the content areas as well as other options.
